

While there are no age requirements on merit badges, they do vary in difficulty and require varying degrees of mental and physical maturity, so Scouts and leaders should use good judgment when choosing merit badge classes to be taken at camp...

**2015 Merit badge prerequisite information will be available in February.**

Some merit badges require completing some requirements prior to arrival in order for the merit badge to be completed at camp. Scouts should purchase and study the respective merit badge pamphlet for exact requirements and preparation on learning the skills involved with the badge.
