**A few minutes of your time, every six months will help
improve our Scouting Experience.**

Dan Beard Council ***set to collect the Voice of Scouts, Parents & Volunteers***

As part of a national Boy Scout of America program, the Dan Beard Council is excited to announce their participation in the Voice of the Scout. With over four million members, this program is being adopted as a key way to collect experiences and deliver upon the expectation of members as they participate in Scouting.

Beginning mid-March, parents, Scouts & Venturers over 14, volunteers and chartered organizations will begin seeing surveys delivered into their email inboxes for Voice of the Scout. The surveys have been designed to be very brief but will give needed insight into the variety of experiences at the unit and district within our council.

Surveys will stay open for three weeks, then information will be referenced for making key decisions to drive Scouting forward, as guided by the people that matter most- our members. It will be a continuous program, in that we will launch these surveys twice per year, with no household receiving more than one survey every six month.

Voice of the Scout Survey

Due to the sheer volume of surveys in this program, we must deliver via email to effectively and efficiently collect opinions. To make the most of this program we will begin asking for emails updates regularly, so please make sure we have your most recent email by [clicking here](#) .

This spring's survey will include questions regarding the BSA's national membership standards. Please take a moment to make sure your e-mail address is up to date and submitted so you are eligible to receive a survey link and share your feedback on this important decision.

Voice of the Scout is how we will help guide our decision-making for our future programs and operational delivery. Please take a few minutes of your time to participate!
