We are gearing up for what will be another great event! On Thursday, January 23, 2014, located at the Scout Achievement Center, we will celebrate the life and accomplishments of Whitney M. Young Jr. The Whitney M. Young Jr. Service Award is in fulfillment of Dr. Young's dream of justice and equality for all. In recognition, we will honor one company and four individuals for making Scouting available for youth in urban and rural areas. This award recognizes outstanding service by an adult individual or organization for demonstrating involvement in the development and implementation of urban scouting programs.
