## Finding Funds

One of the most difficult and time consuming jobs your Pack, Troop, Team, Crew or Post will do this year will not be planning your next outing, it will be funding that fun and educational trip. That is unless you join hundreds of other Scout units in Dan Beard Council who have discovered three easy, **NO RISK** ways of funding all their Scouting adventures.

### No Risk

When you are trying to put money into your unit's treasury the last thing you need is a basement full of unsellable products or the added expense and confusion of rewarding and recognizing your Scouts for their hard work. With the Council sponsored popcorn sale and Family Jamboree ticket sale, your unit and Scouts can earn money without the risk of hassle of other product sales. An exciting incentive and commission program is always a part of these two popular fundraisers and you don't have to buy a truckload of products.

### Helping Yourself

When you participate in either the Council-wide popcorn sale or Family Jamboree ticket sale you are not only going to help your unit's treasury, you are going to help your Council camps.

The Council takes care of the cost of the sale, including your Scouts' prizes. Any remaining proceeds, after your unit receives its commission, goes to support your Council Camps.

Before you think of selling another product, ask the sales representative what the company is going to do with their profits.

## Three Ways to Help Your Unit

### 1 Free Rank Badges

That's right! Units that meet the requirements for National Quality Unit, recharter on time, conduct a Family FOS presentation and have a gain in youth membership will receive ALL of their cloth advancement patches FREE for the next year. Most units spend a least \$1.20 per Scout a year on rank patches! That adds up to a substantial savings.

### 2 Popcorn Sale

Each fall over \$200,000 is earned for Scouting in Dan Beard Council through the annual popcorn sale. Scouts take orders for a variety of delicious gourmet popcorn in October and November with delivery in December to their friends and neighbors. Scouts can earn valuable prizes from the Council.

### 3 Family Jamboree Tickets

The Family Jamboree is an exciting outdoor event held each spring at Coney Island. It's a fun filled day of games, rides, demonstrations and shows for the entire family. Sponsors' coupons attached to the show ticket make it a great value and easy to sell. Beginning in March, your Scouts can sell tickets to the show to help fund your unit and earn valuable prizes for themselves.

### Uniforms

The Council sponsored popcorn and ticket sales are two of the few fundraisers that Scouts may wear their uniform when selling. These events are both approved and endorsed by the Council Board of Directors. This allows the public to know that these sales are authorized and approved fundraisers that will help Scouting grow.

### 6 Reasons Why You Should Participate

- Learning Opportunity for your Scouts
- No Risk
- Scouts Sell in Uniform
- Area-Wide Marketing
- Proven Success
- Steady Annual Income
