

BOY SCOUTS OF AMERICA®
DAN BEARD COUNCIL

**“Do it for the Scouts. Do it for yourself.
Discover the true leader in you.”**

Wood Badge was originally presented by Baden Powell as a means of strengthening and preserving the Scouting movement in every country in the world. Today, in America, Wood Badge is a team-based, advanced leadership training program. Scouters learn to view Scouting globally, as a family of interrelated, values based programs for youth. Wood Badge combines the best of Scouting traditions with contemporary leadership concepts recognized in leading business and governmental organizations and relevant to our movement.

Join us this year for our fall course:
