the model life of a typical Scout unit.

The NYLT course centers on the concepts of what a leader must

BE, KNOW, and DO.

What is its purpose?

The purpose of NYLT is to support the Unit Adult's training of the youth leaders. The objectives of the course are to:

- Provide a toolbox of leadership skills
- Relate these skills to leading in their unit
- Instill knowledge and confidence to run the unit program
- Enhance relationship between the Scout and the unit
- Share ideas and experiences with other Scouts
- Experience Scouting at its best
- Have fun!

What will Scouts do at NYLT?

Every day is filled with activity. The concepts of what a leader must BE, must KNOW, and must DO are taught, demonstrated, and lived in the out of doors. Immediate use of new ideas is stressed in a fun atmosphere based on the principles of Scouting. Everything we do is applicable to unit leadership back home. Participants are taught by skilled Scout staff members and veteran adult leaders. The days are very full.
