# NYLT Participant Equipment List

## NOTES:

All Participants will be in official field (class A) uniform, (the first four items on the required list), with all insignia in proper place before moving to campsite. Do not bring a neckerchief or slide.

\* You may wear long pants and shirtsleeves for personal or medical reasons.

\*\* Wet shoes from morning dew or rain create the most common health problem on course. Make sure your **Boots** are up to the task. The 5 pair of socks should help keep your feet dry too. **No gym/tennis shoes.**

\*\*\* Prescribed medication must be in original pharmacy labeled container; in a plastic zip lock bag with an Index Card containing name and instructions; and turned in at check-in. Once checked-in, participants may keep EpiPen's and Inhalers with them.

\*\*\*\* Backpacks will be used for getting gear from check-in to campsite. Due to the layout of the camp, participants cannot use suitcases, footlockers, or trunks to/in the campsite. Normal prescribed patrol equipment will be issued for cooking.

## PROHIBITED ITEMS:

Electronics of any kind - media players, video games, cell phones, etc.

Alcohol, tobacco, unregistered drugs in any form.

Food, candies snacks, etc. (The camp's Raccoons love to raid tents with food; whether you're there sleeping or not)

**Participants may not sleep in hammocks overnight.**

**NYLT Issued Items:** Hat, Cup, Neckerchief, Neckerchief Slide and two Red NYLT t-shirts.

## Recommendations:

- If you don't already have some of the required equipment, **consider borrowing it from a fellow scout in your troop for the week. This is especially true for the cot and Uniform Items.**
- You will be given two red NYLT participant T-shirts after check-in, already paid for as part of your course fees. You may pre-order extras for \$8.00 apiece. All pre-orders will be distributed the first day of course. You will be wearing a red participant T-shirt all day, every day, during your course week. **If you know someone that has already been to NYLT, and they wear your size, consider asking to borrow their red participant T-shirts for the week.** This is cheaper than buying extra t-shirts.
- Camp Michaels usually has two types of weather during NYLT, very hot and dry, or very cool and wet. Both have a way of soaking your clothes. Look at the forecast before you come, plan accordingly, and remember it is the Ohio Valley and by Friday the forecast will probably change.

**DO NOT BRING:  
HAMMOCK, TENT, CAMERA, CELL PHONE**
