

Let's Work Together.

As professionals providing care for seniors, we all share the concern for appropriate ongoing care and avoiding readmissions. If a senior in your care is not ready to be on their own and needs to explore senior living options, we can help.

Oasis Senior Advisors is a FREE service connecting seniors with housing and services that meet their specific needs - from short-term transitional housing to a full-time senior living community.

Our Certified Senior Advisors are warm, caring, experienced people who live right here in Cincinnati. We maintain good working relationships with local senior living communities, skilled nursing facilities and appropriate referral partners. Our proven process makes sure your patients or clients find the right housing and services, every time.

The Oasis Process

- A FREE in-depth consultation
- Discuss care needs and financial options along with personal preferences of lifestyle and location
- Provide a personalized list of local housing options or services
- Visit communities with the families to find the RIGHT fit
- Transition with ease!

Our Goal

Our desire is to serve as a trusted resource for seniors and their families during what can often be a difficult time in their lives. Working with partners like you, we can achieve the goal of finding the right living situation for seniors. Our dedicated, compassionate advisors are HIPAA compliant and can serve as a valuable resource to you in locating an environment where the senior will have the right care and services.
